9TH ANNUAL PLAY THERAPY CONFERENCE

Speaker Highlights by Liana Lowenstein, MSW, RSW, CPT-S

April 30, 2009, 8:30 a.m. – 4:30 p.m. Play Therapy Assessment and Treatment Planning:

This workshop will provide participants with a play-based model for assessing children and adolescents. Innovative engagement and assessment activities will be presented. Participants will learn how to translate assessment information into a treatment plan, and guidelines for report writing will be reviewed.

Learning Objectives: Following the workshop, participants should be able to:

- 1) Apply several innovative techniques to engage children in counseling;
- 2) Identify when to use a general assessment versus a trauma assessment;
- 3) Use the presenter's model for assessing children and families;
- 4) Translate assessment material into a treatment plan;
- 5) Identify key guidelines for writing assessment reports

May 1, 2009, 8:30 a.m. – 4:30 p.m. Creative Interventions for Bereaved Children & Children of Divorce:

This dynamic workshop will present an innovative model for working with school-aged bereaved children and children of divorce. Structured assessment and treatment techniques will be illustrated for use in individual, group, and family therapy.

Learning Objectives: Following the workshop, participants should be able to:

- 1) Define grief, traumatic grief, and disenfranchised grief;
- 2) Articulate the continuum of parent-child relationships after separation and divorce;
- 3) Identify factors that mediate the child's experience of loss;
- 4) Use the presenter's model for assessing bereaved children and children of divorce;
- 5) Apply many new and innovative techniques to the treatment of bereaved children and children of divorce
